# Canon Law Explained

## Synopsis

Not only inefficiency, but frustration, disorder, anger, and injustice threaten all human endeavors, no matter how pure their motives or high their ideals. That's why successful organizations always create employee handbooks and clear procedure manuals that delineate where authority lies, how conflicts are to be resolved, and, above all, how each organization's mission is (and is not) to be accomplished. Is it any wonder then that the Catholic Church—comprised not of 200 persons but 1.2 billion members in 200 countries—also governs itself by means of a handbook, which it calls the Code of Canon Law? Because handbooks and manuals concern themselves with the day-to-day inner working of organizations, they often reveal more than do news releases about the actual purposes and genuine spirit of organizations: a fact that's particularly true in the case of the Catholic Church. Indeed, if you want to know the Church for who She is, you need to be familiar with the Code of Canon Law. Unfortunately, it contains over 1,752 rules (or canons). Among them, you'll find fascinating canons that lay out the Church's official principles and procedures governing matters as various as abbots and annulments, scandals and Sacraments, monks and missions, bishops and books, priests and popes, synods and sacraments, homeschoolers, hostile witnesses, baptisms, burials, parishes, penance, confessions, Councils, impotence, imprimaturs, and, even marriages to the person who murdered your spouse! Thankfully, Vatican expert and veteran author Fr. Laurence Spiteri has in the pages of *Canon Law Explained* relieved you of the need to read all 1,752 of them (fascinating or not). Here he acquaints you with the fundamental canons by which the Church seeks to bring about, as it declares in the very last canon, the purpose all of them serve: "The salvation of souls, which must always be the supreme law in the Church." Fr. Spiteri's brief, but lucid explanations of the origins and meaning of the canons make sense of much that puzzles non-Catholics about our Church and that sometimes frustrates even us Catholics. As he relates the Church's laws and procedures directly to Christ's command "to go forth and teach all nations"—and to the role those laws and procedures play in your salvation and mine—Fr. Spiteri transforms what seem to be dry-as-dust rules into the sweet waters of salvation. If you want to know the Church for who She is—and to love Her more—*Canon Law Explained* is the book for you.

## Book Information

Paperback: 320 pages

Publisher: Sophia Institute Press; Rev Upd edition (January 25, 2014)

Language: English

## Customer Reviews

This book is extremely helpful. As a Tribunal Advocate for those seeking annulments it has cleared up some misconceptions about how to find the correct grounds to use in many cases. Wonderful addition to my collection.

Canon Law Explained provides a clear, well-organized introduction to the topic. Some topics aren't discussed in great detail, but this should be an excellent introduction for your average reader. Chapter are arranged thematically, rather than following the exact structure of the Code. This won't matter for most readers, but does when studying the Code book by book.

Great Layman material. Helpful information that will help you understand The book Code of Canon Law Annotated. Great Read!
