That book was only created because Delano ellis found out about rebellious children-' bernard jordan, juanita bynum, yvonne capeheart- & cycelia matthews- shamah womack-el...superkids...& them bullying him....-! As if he was Delano hotel..-!..or a professional sports athlete not a professional sex- meaning sport athlete..- as if 1 of bishop shamah womack-el 's sacred sex athletes..in other words..he had to fight for his name..his initials...we're too close in similarity to yvonne capeheart, shamah womack-el initials..- even if you looked at the initials in reverse...sacred initiates....sacred schools of apostle prophets..College of bishops training-- pris9ner of the lord....fugitive of the law-- ...as if..sanctifiers....you are all flunkies....-!...As long as there is an yvonne , juanita & cycelia- the sacred Ishmaelite daughters-Fake nurse charlies angels--- .. then the world isn't safe from them..Neither are marriages & privacy..

This is a book for establishing the Episcopacy in the Black church. It is a great guide but I know Bishop Ellis could have went deeper about Apostolic ministry in relation to this book. However, Bishop Ellis forgot to speak about the 5 fold offices in where the Bishopric stands. The office of the

Bishop is not a 5-fold ascension gift as some would think it to be, but a Bishop in relation to scripture is the same as the pastor of a LOCAL church. A Bishop is a Pastor....Yes.....they have to be according to scripture. But Remember....Every Apostle is ALREADY a Bishop in the LORD'S Church, but every Bishop IS NOT an APOSTLE!!!! Praise GOD!!!

I rated this book very high because it is one of the best self help books that is written and available on the market for this century. This book has helped not only me, but it has been a tremendous help to the members of my church. I would recommend this book to everyone that wants to increase and improve their spiritual health.

I think all Bishops, and adjutants alike should read this , it enlightens the mind on the Bishopric .

As a timeless text, this volume provides a wonderfully inspired standard. For both Bishops and adjutants alike, this work offers insight as to the orders of prelature, vestments and designations of the prelature and other pertinent information relating to the conduct of the episcopacy as well as clergy. This coupled with Bishop Ellis' "Vocati Ad Ministrandum" are a must in the library any who are called to serve the episcopacy on any level within their fellowship.

This is a great book for those of us in the Episcopal office. This is my second time getting the book and adding it to my library.

Awesome book, very detailed , wouldn't change anything in it. Thank you for taking the time to write it God bless

Perfect book which should be required for anyone that desires the office of the Bishopric
