Poster's Radio & Television Price Guide 1920-1990

Synopsis

This is a guide to all the major manufacturers of radios and televisions - from the do-it-yourself kits of the 1920s to the novelty sets of the 1990s. Illustrated with over photographs, the book is divided into three main sections: tube radios, transistor radios and televisions. and includes histories and collecting tips for each category as well as listings arranged alphabetically by manufacturer.

Customer Reviews

In it's day collectors were thrilled to see any publication on their hobby. The values are dated, the pics are black and white, and it is rather limited, but good to have in your collection especially if you collect vintage TV's.
