## Customer Reviews

This is the perfect partner for readers of the CRAZY COCONUT CHRISTMAS CHRONICLES who want to keep the adventure going. It's more than just a coloring book, there are several types of puzzles, games, and creative-writing story prompts that make this a good edu-tainment value.

Way below the surface of the Caribbean sea, there's a secret island, where every day is filled with Christmas magic. It's a place where people of all ages, and from all time periods, live together in a village---a tropical paradise surrounded by candy canes and toys. How did they get there? Young readers will have a lot of fun finding out as this early chapter book follows the adventures of Lucy

and Andrew, two young shipmates who fall overboard during a battle with bullying pirates, and magically awaken on a beach strewn not with seashells but with gift-wrapped packages. Along the way they meet some colorful characters, and learn a thing or two about Santa's magic sleigh ride around the world on Christmas Eve. The comically expressive illustrations match the zany mood of the text. This is sure to be a favorite bedtime story in many households... before, during and after Christmas.

My grandkids love this book. They always enjoy adventure stories and this one's great because it also includes the magic of Christmas. The kids keep saying "I'm gonna eat you, I'm gonna eat you!" which is one of the funny lines from the story. They're also telling their own stories based on the book about how they'd use Christmas magic and what kinds of things they'd do if they lived on the island. We bought the album on iTunes for them and it's been playing on all of our car rides lately! We're enjoying a "Crazy Coconut Christmas" already... and it's only August!
