Damn Delicious: 100 Super Easy, Super Fast Recipes

Synopsis

The debut cookbook by the creator of the wildly popular blog Damn Delicious proves that quick and easy doesn't have to mean boring. Blogger Chungah Rhee has attracted millions of devoted fans with recipes that are undeniable "keepers"-each one so simple, so easy, and so flavor-packed, that you reach for them busy night after busy night. In Damn Delicious, she shares exclusive new recipes as well as her most beloved dishes, all designed to bring fun and excitement into everyday cooking. From five-ingredient Mini Deep Dish Pizzas to no-fuss Sheet Pan Steak & Veggies and 20-minute Spaghetti Carbonara, the recipes will help even the most inexperienced cooks spend less time in the kitchen and more time around the table. Packed with quickie breakfasts, 30-minute skillet sprints, and speedy takeout copycats, this cookbook is guaranteed to inspire readers to whip up fast, healthy, homemade meals that are truly "damn delicious!"

Customer Reviews

I have been a fan of Chungah Rhee's blog postings for a couple years now and when I saw that she was putting her tried and true, plus a couple of new, recipes in a cookbook, I was eager to get my fingers on a copy and see both new recipes and her amazing photography. To be honest, I am not sure if all the photos in the book are hers, some are familiar, but I do know that what she has been showing on her blog are delicious to look at. One of the best things in this cookbook is that each recipe is accompanied with a photo of what it will look like. That is a feature which is missing in so many other books and one that I look for specifically. From her smarter shopping strategies, solutions and shortcuts to recipe keys to simple tips, her quick low fuss budget friendly recipes are

simple enough that even a beginning cook or college student can quickly and easily have dinner on the table in no time. Recipes cover breakfast, one-pot meals, better than takeout adaptations, salads, slow cooker, pasta, quick meat and fish suppers, foil wrapped for either the oven or BBQ, appetizers and sides, drinks and desserts â “ who could resist trying a 6 minute cookie in a mug made in a microwave oven. Some of the food combinations might seem a bit strange, but give them a chance, Chungah Rhee will really surprise you with her creative use of ingredients that can be easily found in any supermarket. She also includes recipes that use leftovers, which is always a benefit. Each recipe includes calorie and nutritional information. Plus, there is a page in the back with measurement equivalents and even metric conversions.
