Synopsis

OVER 150 POSTERS, LOBBY CARDS, MOVIE STILLS AND PHOTOGRAPHS FROM AROUND THE WORLD ON HER MAJESTY'S SECRET SERVICE. It wasn't as well received at the box office as the pictures that preceded it or followed it, but Peter Hunt's *On Her Majesty's Secret Service* is one of the finest of the James Bond movies. James Bond, portrayed here by George Lazenby (in his only performance in the role) has spent nearly two years trying to track down Ernst Stavro Blofeld (Telly Savalas), the head of SPECTRE. He has been taken off the case by his chief (Bernard Lee), an action that pushes him to the point of considering resigning from Her Majesty's Secret Service, just as he opens a possible new avenue of attack on his quarry. Whilst in the field, Bond has chanced to cross paths with the Contessa Teresa Di Vincenzo (Diana Rigg), a beautiful but desperately unhappy woman, whom he rescues from one apparent suicide attempt and an embarrassing moment at a casino gaming table -- the Contessa, who prefers to be called Tracy ("Teresa was a saint"), is the daughter of Marc Ange Draco (Gabriele Ferzetti), an industrial and construction magnate and also a crime boss, who is impressed with Bond personally as well as professionally, and would like to see him marry his daughter. Bond is, at first, unwilling to involve himself with a woman -- any woman -- on that level, but Draco's underworld contacts give Bond a vital clue to Blofeld's whereabouts that get him back on the case and hot on the man's trail. Journeying incognito to Blofeld's mountaintop retreat in the Swiss Alps, Bond finds the criminal mastermind posing as a would-be nobleman and also as a philanthropist, running a clinic devoted to the treatment and eradication of allergies. It's all a front for a surprisingly sinister (and scientifically valid) plot for international blackmail that would make any previous Bond villain quake in fear. And in the process of staying alive long enough to have a chance of stopping Blofeld, Bond discovers the Tracy is truly like no woman he's ever known before -- one special enough that he finds himself willing to give up his life as a free-living, free-loving bachelor.
