Freezer Meals: Prepare Numerous Delicious And Healthy Meals In Only One Cooking Session! **Includes Recipes! The Amazing Step By Step Formula To Save Money And Time.**

Synopsis

Innovative All-Inclusive Freezer Meals Guide A sure-fire way to eat healthier and save both your time and your money! We are often so busy during the week that we don't feel like cooking. Fast food and unhealthy tv dinners can seem like the most convenient option at the time. But you don't have to sacrifice your health for time anymore! Freezer meals are an amazing alternative without adding a lot of time to your fast and furious life! Freezer Meals will save you a lot of money on meals and will not add a lot of time to your schedule. Making meals ahead of time and freezing them is not a revolutionary idea many of our own mothers probably did this when we were kids for those times when they wouldn't be home to cook but it's something you may never have done for yourself. And there is a right way to do it. It's all covered in Freezer Meals. In Freezer Meals, you will find out: The benefits of making freezer meals Step-by-step methods on how to properly freeze and seal your meals Delicious RECIPES that you can enjoy when you don't have time to cook Clever tips and tricks And more With Freezer Meals, in a very short time, you will see a huge savings and you will feel better because you're eating real homemade food that taste delicious and is healthy for you!

Customer Reviews

This book is complete and it helped me a lot to understand the proper way of freezing meals. It's simple and the author shows you everything you need to know from a to z. The idea behind freezer meals is to prepare a week's worth of meals within a couple of hours on a single day. This saved me so much time, considering that I'm too busy to cook on most nights! I especially liked the step by step freezer meal crash course, (I like to do things one at a time) The author also gave me important tips that I had not seen in other freezer meals books. She gives effective methods on how to stop freezer burns

I liked the explanations at the beginning of the book, as well as the recipes. I wish there were more recipes though.

Would recommend it to everyone....
