# Designing And Making Handwrought Jewelry

## Synopsis

Paperback book. First Edition, 1963. Approximate size is 5.25 x 8. Total 168 pages. Black and white pictures. The book is lightly tanned and aged. Printed in the USA. Joseph F. Shoenfelt, author. McGraw-Hill Book Company, Inc. "This illustrated book makes it easy to follow the step by step processes of designing and producing attractive and original jewelry by hand. Starting with projects that can be made from silver wire, you will begin almost at once to gain the satisfaction and pride of making a wide variety of personal adornments. Stressing the importance of design, Mr. Shoenfelt emphasizes the fact that even the least experienced hobbyist will soon discover that he is able to devise striking jewelry." The spine is sturdy and strong. The pages are clean, no highlights, no tears, no markings. A really nice book with lots of black and white pictures throughout the book. A great buy for this unusual book. Out of print book.

## Customer Reviews

The photos are a little dated but overall this is a great little book covering everything from design ideas to techniques. More suited for a beginner or someone with limited experience. I particularly liked the interesting ideas for alternative ways to set stones. Note: no colour photos.

information in book is worthwhile when crating jewelry. I like the book and found it easy to read and reference
