## Customer Reviews

Awesome!!!! I couldn't put it down!! So funny and just right for me. I have always had so much fun reading these books and they are recommended for everyone. I love this book so much. All the funny parts, hard, very hard to put down. ^\_^ Steve The Noob, keep up your awesome work!!! (T â– T)

This is the best one yet!! I liked how Wanda kept tricking Steve which made this book even funnier. I thought that the 2 reporters were pretty funny also. I enjoyed the story for its: wit, humor, charm and the funny characters. You are my 4th favorite Minecraft author!!!

Steve the noob, this book has no typos and is released so fast!! (; how do you do it?! also I know book 6 will come soon. Plz also write book 17 of the series of Steve the noob. I really like your books that I sometimes snuck my kindle to school and read it at recess. and I'm Wonsuk's second son. â |â |â |â |â |â |â |â |â |â |â |spoilers alert!â |â |â |â |â |â |so in this book Steve finds a wolf and tames the wolf. he first names it my little monster but the dog didn't like it so Steve named it lucky. (end of spoilers) bye--coolshinwon07-----

Ok, so I have kindle unlimited. Basically what I do is download ten books, read them in the order I downloaded them, and repeat. Well this load of books I downloaded diary of Steve the noob 5 last. It was horrible. I mean these other books were great, and I love these other authors, but you are my favorite Steve the noob! Oh yes, and by the way, I agree with W. Shi!!! Change your name you aren't a noob!!!!!! Can't wait for book 6 and thanks for doing all this. Oh and by the way, I've been looking at your pictures, and... I think it's blender. I recognize blender. And that's blender :P

I was looking for other books when I saw this one. I was like YES! book 5 is out!, and I got it immediately (I know I spelled that wrong btw) So, I saw this book AND found the other book(s) I was looking for!!! Can't wait for book 6!!! -ZombieCupcake

hey Steve it's me Devlin I wanted to say you're the best I love all your books if you saw my 1st review on your last book Steve the noob 4 then I must not speak plz include my name as anybody in book six

This one was such a cliffhanger! Now I want the next one. This was very entertaining and descriptive. Thanks for the great books! Also, this is in my top three favorite Minecraft series' :)

I LOVE THIS BOOK! Steve The Noob is the best writer ever! He could be doing better things than writing for us, but he chose to write for us. ^• thanks for writing for us! â•ª• Rainbow Creeper
