Mansfield's Book Of Manly Men: An Utterly Invigorating Guide To Being Your Most Masculine Self

Synopsis

Witty, compelling, and shrewd, Mansfield's Book of Manly Men is about resurrecting your inborn, timeless, essential, masculine self. The Western world is in a crisis of discarded honor, dubious integrity, and faux manliness. It is time to recover what we have lost. Stephen Mansfield shows us the way. Working with timeless maxims and stirring examples of manhood from ages past, Mansfield issues a trumpet call of manliness fit for our times. "My goal in this book is simple," he says. "I want to identify what a genuine man does—the virtues, the habits, the disciplines, the duties, the actions of true manhood—and then call men to do it."

Customer Reviews

To be a man is to: ? The age old adage goes one way or another depending on who you ask. For those who fought to protect their country's freedom, manliness lies in sacrifice, tears, and bloodshed. For another it may be in exploring unknown frontiers, uncovering what has not been seen. And for yet another, loving a woman is their definition of manhood. Each man knows, however, that manliness is not encapsulated by a singular definition. That would be like describing a tree simply as tall; while omitting its fruit, leaves, provision of shade, or texture. In the same way, men are made up of a plethora of qualities. Intro, Stephen Mansfield, stage left. Mansfield's wonderfully titled Mansfield's Book of Manly Men purposes to resurrect "your inborn, timeless, essential, masculine self." Listing four "Manly Maxims" and sixteen attributes that collectively define manliness Mansfield calls out to men who are aiming to restore the original image of man to their life. Being a man has always been a goal of mine. Having the XY chromosome is not enough. I want to crochet a scarf, and wear it while I climb a 14k mountain. I want to read a poem to

woo a beautiful woman (You can find her on twitter @robynmederich). I want to prepare a meal and eat it at a table and chairs that I also built. All of these things are manly, but they aren't enough. A man doesn't comprise of external affairs only. A man will find himself complete when he combines external adventures with internal traits. Mansfield's Book of Manly Men is a great guide for men of any station in life. White collar, blue collar, no collar; men from all can gain from this book. Call me crazy but I believe the book has been intentionally designed to bring reading pleasure to a man.
