Van Cleef & Arpels: Treasures And Legends

Synopsis

From Empress Farah and the secrets of the treasure of Iran, to Queen Marie Antoinette's missing emeralds, via Fantomas and the blood-red rubies of the kings of Burma, entering the world of Van Cleef & Arpels is like embarking upon a fascinating treasure hunt. In this book, Vincent Meylan explores a century in the history of one of the most prestigious Parisian jewelry dynasties. He opens doors and unlocks caskets to reveal the mysterious, and sometimes fantastic, stories of its clients and the fabulous and exceptional stones that they entrusted to the "golden hands" of Van Cleef & Arpels. The Maharani of Baroda, the Duchess of Windsor, Princess Lilian of Belgium, Elizabeth Taylor, Marlene Dietrich, Princess Grace of Monaco, Maria Callas, Barbara Hutton and the Countess of Camargo: they are all the heroines of this incredible epic full of rubies, diamonds, emeralds, and sapphires. Van Cleef & Arpels: Treasures and Legends is full of extravagant fairytales and fascinating behind-the-scenes revelations. It also tells the sometimes troubled story of a dynasty of jewelers, of gifted men and women who have, for over a century, helped to shape that inimitably Parisian art de vivre that is the envy of the world.

Purchasers of this book should be warned that about half of the book is stories about the legendary people who collected Van Cleef & Arpel's jewelry. The stories are fascinating, but it leaves room for fewer photographs and most of the pictures are of the collections of the rich and famous. I found the Persian turquoise and diamond necklace owned by the royal family to be breathtaking - as were many of the emerald necklaces. For those of you who want to see more jewelry and a wider variety of styles - you would probably be happier with the hardback catalogue book from the recent oriental (Japanese or Chinese, I think) museum show, available from .

An absolute joy to read and look through. The pictures are gorgeous, and the stories fascinating.

Great book if you like reading about jewelry and the lives of the women who actually have the jewelry commissioned or owned the piece. Beautiful gem and workmanship, it is after all a Van Cleef & Arpels. And for ones it actually has a few notes on the owner of the firm and the ones who inherited it after. Good coffee table book and information about what is excellent quality jewelry.

Beautifully done. Great photos of the jewels and the women who wore them.

Perfect reading and it will give me weeks of pleasure. It was way beyond my expectations as most

of the books I have ordered from have been. I must mention the packing and delivery service. I received the book far sooner than I expected and it was packed with the utmost care. With a book of this calibre packing is really important. So all due credit to the behind the scenes department. Many thanks and a very Happy Christmas. May the New Year bring you happiness.
