This book is easy to read and easy to follow along. Eric Wing does a great job thoroughly explaining ever step you need to know on how to use this software.

Eric Wing's books are the best instruction a CAD user could expect.

Served its purpose, good book to have.

it's a great book , i am using it now , but sometimes i have to return back the steps couple of times to get the point and somehow the pictures inside are small

Easy to understand with step by step guidance.
