The Pun Starts Here: 325 Jokes To Make You Groan!

Synopsis

All of material in this book was written by my Granddad, Harold Sands, who sadly passed away in 2004. He always loved to think of jokes and he wrote most of them down in a little, red notebook which was passed down to me â “ something I will always treasure. This volume is a selection of some of the material from that little, red book. Always one to marvel at newfangled technology, he would be absolutely amazed to think of his work being published and available around the world for other people to enjoy and hopefully laugh at (although no-one ever laughed as much at his jokes as he did!) Granddadâ™s (always clean) humour of choice was the pun, which was usually demonstrated in a couple of ways â “ funny book titles and fictional experiences in different kinds of occupations. I hope you enjoy reading them as much as I have over the years. As well as trying to brighten someoneâ™s day, one of the reasons for compiling this volume was to raise money for FWT, a childrenâ™s orphanage in Southern India (visit www.faihwelfaretrust.org) which was very close to my granddadâ™s heart â “ all commission from the sale of this book will go to this UK registered charity.

Customer Reviews

The book has a lot of puns, some I knew already and others I hadn't heard before. The book is a good exercise for your mind. It takes you where you haven't been before in the world of words. If you're looking to spark your mind or just some fun, this is a read you would enjoy.

Really adorable for what it was. A tribute to a family member. A couple things gave me a giggle. Overall I enjoyed it. Great way to honor the author's loved one.

Lot of fun. My daughter and I enjoyed it, just wish it would have been a little longer. We really can't complain since it was free.

so many of these jokes and puns I have heard before, I wouldn't recommend unless you are really really bored.

great book !
